

Project Learn

**Saturday program
beginning January 10th**

In this program, Club members have a chance to work one-to-one with Club mentors. Whether they need homework assistance, tutoring or help on a project, Club members will find mentorship through Project Learn.

TURKISH LANGUAGE PERMISSION FORM

Dear Parents/Guardians,

Bergen Arts and Science Charter School is proud to announce the introduction of the Turkish Language Course being offered starting on January 20th, 2009.

Turkey has an exceptionally rich archaeological heritage, and is unique in its numerous ancient civilizations. The Turkish language is fairly simple to learn because it is a logical, phonetic language. Turkish is written in the Latin alphabet and is spoken by at least 150 million people worldwide. This course will be taught in a contemporary manner, while learning about history, culture, and customs.

Turkish Language Class will be taught in the same period your student already has Spanish Class. Nothing will change with your child's schedule.

----- Yes, please enroll my child in the Turkish Language Course

----- No, my child will continue in Spanish Class

Parent Signature _____

Date _____

Enrollment form is due back Friday, January 16th!

December 9, 2008

Dear Parents/Guardians:

This letter is to inform you of two issues that we have with: drop off and tardiness.

At school the responsibility of students is to learn. Efficient learning cannot take place if students are not in the class and on time. Every student needs to be in the classroom promptly by 8:00 Am sharp.

The following are the expectations of the students and parents:

- To be at school and in class on time.
- If you are excessively late consequences may apply
- See that your child leaves home on time and arrives at school before 8:00 a.m.

Please see **attached** tardy policy

Drop Off Before School

- Cars will queue up the length of the drop off space.
- Students will exit cars on the **curbside**, walk into the building and then to the auditorium.
- Parents should remain in their cars at all times. The street between two doors of the drop off area posted as a "NO Parking Zone".

We are asking for your cooperation in helping us protect your children. We strive to teach all of the students to follow safe practices and have incorporated this into our B.A.S.C.S. way.

So PLEASE, PLEASE, PLEASE, just give yourself a few extra minutes in the morning to drop off or park carefully.

Sincerely,

B.A.S.C.S.
