

February 10, 2010

Dear Families,

“One For Books” is a booster program similar to the boosters that you purchase at the grocery store for MS, Food Drive, etc. Scholastic matches our booster donations in up to a million books for three non-profit programs devoted to improving literacy among children: **Kids in Distressed Situations, National Center for Family Literacy, and Toys For Tots**. It is a tough economy but a dollar donation truly goes a long way and makes a great difference in a child’s life.

Please purchase one or both and have your child(ren) decorate the ice cream sundaes. Return them to school with your One For Books donation of \$1.00 each at your earliest convenience. This money will be matched dollar for dollar by Scholastic Inc. to purchase books for the several service organizations mentioned above. In addition, the total amount of money we raise will be matched in book donations for our school library. Thank you for your support!

If you have any questions please call Karin Annunziato at 201-773-0392 or Donna Coleman at 973-253-0536.
